The Great Lakes Fleet of the CDSOA has scheduled their annual winter meeting to once again take place in historic Oswego, New York on the **24th of March, beginning at 1300**. Please note this latest date change from 17 Mar 07 to 24 Mar 07.

Home of the Oswego Maritime Foundation and other attractions, Oswego has been a major seafaring port on Lake Ontario for a very long time and has some very interesting and entertaining venues.

Please check out: www.oswegony.org/ for more information on hotels, sight seeing and general fun to be had in Oswego or see the list provided below.

This year's venue is **Coleman's Irish Pub** located on the water in Oswego, New York. Coleman's will provide you with directions to the

restaurant but they are just off Rte. 104 on the western shore of the Oswego River. (See their web address above.)

Change of Date:

The date of the meeting has been moved to the 24th of March.

Fleet Captain Election:

Please forward your suggestions to Ed Haley, the head of our nomination committee, at eghaley*_NOSPAM_*@twcny.rr.com.

Round Table:

Our Round table sea story will be the highlight of the afternoon, along with a surprise speaker and possibly some GLF member slide shows.

JUST IN 📢📢📢📢 Thanks to the CDSOA, we now have prizes for our sea stories and slide shows. (If you have a slide show, please bring your laptop for presentation or on a disc that can play on most laptops). Don't worry, you can have a one minute special or you can regale the assembled members for hours! Bring slides, pics, bottles of rum, eh it's your sea story.

Head Count:

Could we have a show of hands for those who will be attending our annual Great Lakes Fleet meeting in Oswego? Not a member of the GLF? Well you are welcome to come along and join in the fun too!
