The Great Lakes Fleet of the CDSOA has scheduled their annual winter meeting to once again take place in historic Oswego, New York on the **13th of March, beginning at 1300.**

Home of the Oswego Maritime Foundation and other attractions, Oswego has been a major seafaring port on Lake Ontario for a very long time and has some very interesting and entertaining venues.

Please check out: [www.oswegony.org](http://www.oswegony.org) for more information on hotels, sight seeing and general fun to be had in Oswego or see the list provided below.

This year's venue is located at Patz on the River, on the water in Oswego, New York. Patz will provide you with directions to the restaurant but they are just north off Rte. 104 on the eastern shore of the Oswego River. (See their web address above.)

#### Round Table:

Our guest speakers this year will be a pair of Canadian Customs and Maritime specialists who will provide an overview of Canada's laws and regulations pertaining to Great Lakes Sailing. Many of our Great Lakes Fleet sailors cruise into the waters of our northern neighbor and knowing the rules and regulations of Canada will keep us out of trouble when we visit.

(If you'd like to present a slide show, please bring your laptop for presentation, or bring pictures to go along with your tall sea stories. Don't worry, you can have a one-minute special or you can regale the assembled members for hours! Bring slides, pics, bottles of rum, it's your sea story, eh?

#### Head Count:

Give me a shout if you'll be attending our annual Great Lakes Fleet meeting in Oswego? Not a member of the GLF? Well, you are welcome to come along and join in the fun too! We'd love to hear from our sister fleets!

**CLICK THE BUTTON** →  to contact me with your attendance plans so I can tell Patz how many we will have there and how many tables we'll need.

For more information and reservations, contact Great Lakes Fleet Captain Ed Haley [use the "[email](#)" button above] and watch for updates on the message board.

Those in the know, you know where to stay. If you're coming from out of town, just "[email](#)" me, and I'll fix you up with the details. If I know who will be staying Friday night, I can organize our group for a get-together. There's also a list of area hotels at the bottom of this page.

Catch ya later,
