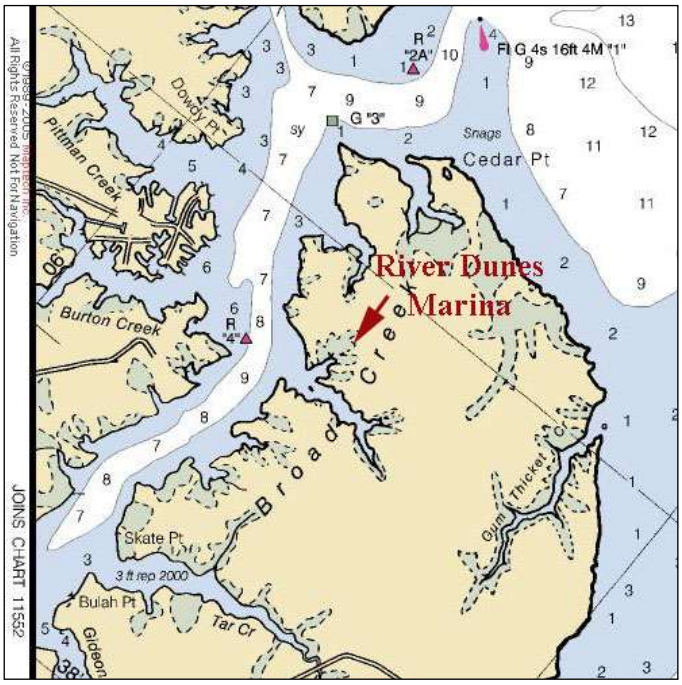
Questions? Contact Event Organizers: **Denny or Christie Doyle** Ph: 252-638-2377(H) or 252-626-0451 (cell);
Email address: dennisdoyle66@gmail.com

After a fun and challenging July trip to Cape Lookout, we would like to welcome you to a relaxing cruise to River Dunes Marina. Most of you have probably visited there in the past but in case you have not we include some navigation recommendations below. Facilities at River Dunes include restaurant in the Harbor Club, pool, pool table, exercise room, hot tubs as well as bicycles to tour the area. The Harbor Club serves Lunch and Dinner on Friday and Saturday and Lunch on Sunday. They appreciate reservations.

If you arrive on Friday, enjoy the facilities and an impromptu cocktail party is always a possibility. We will plan a group dinner at the Harbor Club on Saturday evening (please let us know by the 14th if you will attend and we will confirm reservations for the dinner). We can loosen up for dinner with Bocce and Corn-hole games.

Please make your own reservations for a berth (252-249-4908). We have requested to all be berthed on the 'A' Dock South so identify yourself as being with the Cape Dory Fleet.



Concerning navigation, coming from Oriental, leave Gum Thicket Light (R 6) to port. Bear approximately 350 deg. to Broad Creek entrance. Give the markers coming into Broad Creek a wide berth as they are located in shallow water. From Green #1 we usually head towards the large white house until passing Red #2, then turn right. Water depth in Broad Creek channel is typically 7 – 9 ft. As you approach Red #4 look for River Dunes entrance on the left. Stay in the middle of the marked channel until entering the brick wall lined channel. From this point on water depth is uniformly 8 ft. unless you get very close to shore.

Communications: River Dunes monitors channel 16 and switches to 72 as we do. Call River Dunes for your berth assignment when you are in Broad Creek.

River Dunes Marina • 465 East Harborside Rd • Oriental, NC 28571
800-348-7618 • (252) 249-4908 • VHF 16

Fleet communications will be on VHF Ch. 16 and 72.
Please monitor these channels during the cruise.
Hail the "Cape Dory Fleet".

Any questions regarding this event? Please contact Event Organizer Denny or Christie Doyle at 252-626-0451 (cell) or dennisdoyle66@gmail.com.

All owners of both Cape Dory and Robinhood power and sailboats, CDSOA members and non-members, are welcome to attend.

All captains are responsible for their own navigation and the safety of their vessels and crew.

Use NOAA Charts 11552, 11553, 11541 and 11548 or
Maptech Chart Kit Region 6.
