Event Information:

The Narragansett Bay Float-in is being hosted by Sue and Dick Graefe at their home at 40 SeaView Avenue, North Kingstown, RI on Saturday, July 17, and Sunday, July 18th. The event will be informal but will include a barbecue dinner Saturday afternoon into the evening. We have a large deck and lawn for lounging and visiting [See **Figures #1 and 2** below]. The view of the bay is excellent with the Jamestown Bridge to the south and Fox Island opposite us. There is a nice beach for swimming and sunning and a wildlife refuge for hiking. Children are welcome. Wickford Village with its quaint shops is also nearby.

The anchorage [See **Figure #3** below] is located in the small cove approximately .4nm west of Fox Island between Rome Point and Wild Goose Point on the western shore of the West Passage of Narragansett Bay. “*SeaScape*,” the Graefe’s Typhoon, will be a marker for the best anchorage.

If you can't get there by boat, hop in the car (see the Driving Directions at the end of this document).

“[Sail Rhode Island](#)” has been cancelled but "[Tall Ships Rhode Island](#)" has stepped up to the plate and there will be a fleet of tall ships gathering at **Goat Island in Newport**, July 16-19. We won't be able to provide transportation to that event but those coming to the float-in at North Kingstown via boat, may want to sail up East Passage on the way to/from the float-in to get a gander at the tall ships.

[NOTE: The fee to cover the cost of food and supplies for the barbecue is **\$12.00** per person for CDSOA members; **\$15.00** per person for non-members.]

Please monitor **VHF Ch. 16** and **68** for fleet communications.

If you need to contact Sue, her home number is **401-295-5635**. Sue and Dick's email is **rfgraefer@cox.net**. We would like to know ahead of time who will be coming so we can make individual arrangements for food, special needs, etc., so please print, complete and mail in the registration form by **July 10th**.

Should shelter become necessary, you're in need of repairs, fuel, etc., or if a slip or mooring would be preferred, **Brewer Wickford Cove Marina** is in nearby Wickford.

See you at the float-in,
Dick and Sue

NOTE: All captains are responsible for their own navigation and for the safety of their crew and vessel.
