

CDSOA Cape Cod Bay Float-in Provincetown, MA August 13-14, 2005

Questions? Contact Fleet Captain Catherine Monaghan Ph: 732-381-3549; Email: c_m_monaghan@comcast.net

Event Information

Not to be used for navigation. Use NOAA Charts# 13249, 13246 and 13267.

Figure 1. Provincetown Harbor, MA

Fleet communications will be on VHF Ch. 16 and 68.

Plan on meeting in the anchorage of [Provincetown Harbor](#) in the afternoon on **Saturday, August 13th** where **Cruise Captains Cathy Monaghan and Bruce Halley** will be waiting aboard their **Cape Dory 32 Realization** for your arrival. Anchor just outside the mooring field southwest of the breakwater or reserve a mooring from the **Provincetown Marina** (508-487-0571, **VHF Ch. 9**) or **Provincetown Mooring Services** (VHF Ch. 9).

If you are the first boat to get to Provincetown, please hail Cathy Monaghan aboard *Realization* (**VHF Ch. 16/68**) and let her know that you're there and where – please provide GPS coordinates if possible. We want to make sure that all of the boats end up in the same place or as close to each other as possible.

Entering Provincetown Harbor is easy as the harbor is wide and deep. If you're coming from the outside, give Race Point a wide berth. From any direction your first mark will then be **FI G 4s BELL G"1"** south of Wood End. Head for **Q G BELL G"3"** east of Long Point, leaving it to port before heading into the harbor. The breakwater is approximately 26.1 nm from the entrance to Plymouth Bay, approximately 21.3 nm from QG BELL G"3" at the entrance to the Cape Cod Canal, and 27 nm from the Wellfleet breakwater light FI R 2.5s 16ft 5M "14".

Use tide tables for Boston. High tide in Provincetown is 16 minutes later and low tide is 18 minutes later. Mean tidal range is about 9 feet.

In the evening we'll all gather on one of the boats for cocktails. So bring one or two snack items to share with the rest of the group in the anchorage and the fixin's for your favorite beverage. Then it's potluck for dinner. No, we don't throw everything into one pot and whatever comes out is dinner (unless you want to). But whatever you bring it's what we'll have.

Sunday morning, let's get together again for a potluck breakfast before departing. And, if you're sticking around for the [Cape Cod Loop Cruise](#), you've got the entire day to explore colorful Provincetown.

All owners of both Cape Dory and Robinhood power and sailboats, CDSOA members and non-members, are welcome to attend.

All captains are responsible for their own navigation and the safety of their vessels and crew.

Use NOAA Charts# 13249, 13246 and 13267.
