Join fellow CDSOA Northeast Fleet members for lunch overlooking Great Bay, Newick's great food & drink, good conversation, a chance to meet new friends and old CD friends and to talk about our CAPE DORYs and maybe other sailboats (gotta be Alberg's though...just kidding!). Right off Rte 16 (the Spaulding Turnpike) and easy to get to from Rte 95, take an afternoon off and start planning for the projects and sailing season ahead. We'll have great door prizes!

Our guest speaker this year will be **Nick Patey** from **The Landing School** in Arundel, ME. Nick is the Senior Instructor in Marine Systems at the Landing School and is a licensed Captain, he owns a Pearson Electra and has a CD25 in his care. Nick will talk about marine DC electrical systems for do-it-yourself boat owners (a lot of us). So bring your electrical questions & projects! We'll have plenty of time to chat. SPRING will be just around the corner, and after all the cold, it can't come too soon for sailors. What better way to get pumped up for the big day when the snow is gone and the cover comes off? Looking forward to seeing you all there. As always, keep your fingers crossed for fair weather!

Registration Fees: **NONE**
