Please join us on July 7th for an evening of camaraderie in centrally located Port Jefferson, one of our favorite stops on Long Island Sound. It's a good opportunity to meet up with old friends and make a few new ones.

Saturday, 7/7 – Old Field Beach, Port Jefferson, NY

Plan on meeting in the late afternoon on Saturday, July 7th, in the anchorage south of Old Field Beach in **Port Jefferson Harbor**. When anchoring, please stay clear of the mooring fields and be sure that you won't swing into the channel.

Not to be used for navigation. Use NOAA Chart. 12362.

If conditions are settled, we ask that you please contemplate allowing another CD to raft-up with your boat; this decision is entirely up to you, the captain of each vessel. If it's crowded, a raft-up may not be possible or safe but we will get together during our "dinghy float". If you don't have a dinghy, one of us will fetch you in ours.

Don't forget to bring your dinghy!

If yours is the first boat to get to Port Jefferson, please hail the "**Cape Dory Fleet**" (VHF **Ch. 16** then **78**) and let the others know that you're there. Anyone within earshot should reply with their ETAs.

We will be having a bring-your-own cocktails and snacks "**dinghy float**" get-together which we'll try to get started at around 4:00 p.m. and end around 5:00 p.m. Don't worry, if you don't have a dink, one of the crews will pick you up in theirs. Afterwards we'll meet aboard our boat, *Realization*, at 6:00 p.m. for a potluck dinner.

Your potluck entrée or side should be enough to feed about 6 people, so keep that in mind when provisioning. Don't worry, with all the crews contributing, we will have plenty of food. We will provide the plates, cups and plastic utensils.

**Fleet communications will be on VHF Ch. 16 and 78.
Please monitor these channels during the event.
Hail "Cape Dory Fleet".**
